SARAH NETBURN, United States Magistrate Judge:

The Honorable Andrew L. Carter, Jr. referred these related cases to my docket for general pretrial supervision. The parties in these cases each have filed stipulations agreeing that defendants do not need to answer, or otherwise respond to, plaintiffs' complaints until after the Judicial Panel on Multidistrict Litigation ("JPML") rules on whether to consolidate these cases. Accordingly, once the JPML's decision has been made, the parties to Prime International Trading, Ltd. v. BP PLC, 13-cv-03473 (ALC)(SN), should submit a joint letter to Chambers, pursuant to my Individual Rules, outlining the status of the litigation. The related cases need not submit status letters at that time, unless they believe such letters would prove useful to the Court.

SO ORDERED.

SARAH NETBURN
United States Magistrate Judge
